Dear Mr. Herman:

SUBJECT: Public Notice of a Remedial Action Plan for the Linden Road Landfill Site, Flint Township, Genesee County, Michigan

The Michigan Department Environmental Quality (MDEQ) is preparing to public notice a remedial action plan (RAP) for the above referenced site. The public notice period is tentatively scheduled from Monday May 25, 1998 to Wednesday June 24, 1998.

Pursuant to Part 201 of the Natural Resources and Environmental Protection Act (NREPA), 1994 PA 451, as amended, MCL 324.20101, et seq., Sec. 20120d., the MDEQ is required to provide an opportunity for a public meeting as a part of the RAP public notice if a local unit of government in which the facility is located, by majority vote of its governing body, requests a public meeting.

Further, Sec. 20120d. (1) states, "The person or persons requesting the meeting shall publicize and provide accommodations for the meeting."

It would be appropriate to hold a public meeting during the public comment period. If you would wish to request a public meeting on the proposed RAP for the Linden Road Landfill site, please forward your request to my attention at the address above.

Feel free to contact me if you have any questions.

Sincerely,

James E. Innes
