Re: Approval Under Ohio EPA National Pollutant Discharge Elimination System (NPDES)  
Industrial Storm Water - OHR000005 General Permit (the permit)

Dear NOI Applicant

Your NPDES Notice of Intent application is approved for the following facility. Please use your Ohio EPA Facility Permit Number in all future correspondence.

**Facility Name:** RACER-Elyria  
**Facility Location:** 1400 Lowell St  
**City/Twp:** Elyria  
**County:** Lorain  
**Ohio EPA Facility Permit Number:** 3GR01893\*AG **U.S. EPA #:** OHGR01168  
**Effective Date:** 11/1/2013

**A copy of the permit may be viewed or downloaded from the following web address:**

<http://www.epa.ohio.gov/dsw/permits/gpfact.aspx>

If you cannot access the permit online, contact Ohio EPA at 614-644-2001, and a copy will be mailed to the address you provide.

Please read and review the permit carefully. The permit contains requirements and prohibitions with which you must comply, including the submission of Discharge Monitoring Reports (DMRs). DMRs should be submitted online using the Ohio EPA eBusiness Center eDMR internet service. See <http://epa.ohio.gov/dsw/edmr/eDMR.aspx> for instructions. If you are unable to use this service due to a demonstrable hardship call 614-644-2001 to request paper DMR forms. Coverage under this permit will remain in effect until a renewal of the permit is issued by the Ohio EPA. If you have questions call 614-644-2001.

Sincerely,

A handwritten signature in black ink, appearing to be "Scott J. Nally".

Scott J. Nally  
Director
