Joel Feick of TV 12 News called today asking about the status of our review of the RAP for this site. I couldn't tell him much. He was interested in when we might be completing our review. I told him I didn't know, but that it hadn't been brought to Lansing yet. He asked that we call him when we complete the RAP review process. I told him we would. Please do so at the appropriate time (after Lansing QRT) His TX is 810-257-2806
