Dear: Mr. Hare:

The Kansas Department of Health and Environment (KDHE) has completed its review of the document titled *July 2024 – Annual Long-Term Groundwater Monitoring Report*, for the above-referenced site dated October 18, 2024. The document was prepared by and again received by KDHE on June 30, 2025. KDHE hereby approves the document. Please submit a hard copy to KDHE no later than August 19, 2025.

This report also contains the request to optimize the groundwater monitoring network proposing selected wells for biennial sampling. KDHE approves this request finding the rationale to be technically sound and continues to be protective of human-health and the environment.

Should you have any questions, please contact me by telephone at (785) 296-8986 or by e-mail at john.cook@ks.gov.

Sincerely,

John Cook, PG, Professional Environmental Geologist
