RE: Completion of Work under Administrative Order on Consent Docket No. V-W-99-C-562
For the Textile Road Site in Ypsilanti Township, Michigan

Dear Mr. Garvey:

The United States Environmental Protection Agency (EPA) entered into the above referenced Administrative Order on Consent (Order) for the Textile Road Site (Site) on September 23, 1999 with various parties. The work required by the Order has been completed and all other requirements of the Order regarding payment of oversight bills, institutional controls and record retention have also been complied with.

Therefore, EPA considers the Order closed and does not require any further work or obligations under this Order at the Site.

If you have any questions, please contact me at (312) 886-5114. Thank you.

Sincerely,
