Solid Waste Disposal  
Linden Road, Flint Township  
Genesee County, Michigan  
Chevrolet Motor Division  
Project No. 8802-W

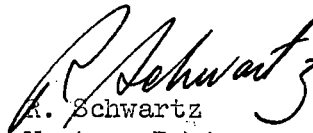

Dear Mr. Hadfield:

There is presently in effect the subject License Agreement which was issued on November 29, 1967. It is our understanding that this Agreement will expire on August 31, 1968. We have been informed by the Chevrolet Motor Division that they wish to continue the use of this facility and, consequently, would appreciate the renewal or the extension of the existing Agreement.

We would appreciate your review of this matter and advice at your earliest convenience as to the proper procedure to follow in extending the present Agreement. In the future all correspondence concerning this subject should be forwarded to the writer for distribution through regular Corporate channels. Kindly advise if there are any questions pertaining to our request or if additional information is required.

Very truly yours,

ARGONAUT REALTY DIVISION
