Re: Chevrolet-Flint Manufacturing Landfill - Genesee County

Dear Mr. Schwartz:

In reference to your letter of January 12, 1972, we have not received a document from Chevrolet which you described as an originally signed License Agreement returned to our office with a notation of "wrong address."

The facility was licensed and the licensing materials mailed to Mr. R. W. Decker, who had signed as the applicant. I am enclosing copies of the license and letter which accompanies the licenses. I assume this is the information you requested.

If you have further questions or I may be of further service, please contact me.

Very truly yours,

Fred B. Kellow, Chief  
Division of Solid Waste Management  
Bureau of Environmental Health
