TO: Rodney Mosier, Supervisor, Shiawassee District Office
Environmental Response Division

FROM: Alan J. Howard, Chief, Environmental Response Division

SUBJECT: Funding Authorization, Agreement for Limited Recreational Remedy
General Motors Corporation
Linden Road Landfill
Flint Township, Genesee County, Michigan

The project manager, James E. Innes, is authorized to expend funds in accordance with the Agreement for a Limited Recreational Remedy (Agreement), MDEQ Docket No. Landuse-ERD-98-011. This site is known as Linden Road Landfill, Flint Township, Genesee County, Michigan.

This Agreement allows for reimbursement of state costs incurred in connection with the overseeing implementation of the remedial action plan, including oversight of operation and maintenance.

It is essential that adequate records be maintained. Please work with the Enforcement and Cost Recovery Unit, Compliance and Enforcement Section, to establish/review your cost documentation. The following coding should be used:

(a) For staff and staff support:

INDEX	PCA	PROJECT	PH
Various	30719	452223	65

(b) For eligible contractual expenditures:

INDEX	PCA	PROJECT	PH
Various	30713	452223	65

At a minimum, the project files should include all invoices and other cost documentation necessary to support state expenditures.

Please contact David Koski, Enforcement and Cost Recovery Unit, at 517-373-4818 to coordinate your cost documentation effort.
