Brendan and Dave,

The U.S. Environmental Protection Agency reviewed the April 23, 2026 letter from Arcadis of Michigan, LLC with the subject, "Fiero Off-Site VAP and SVMP Installation Work Plan" (Work Plan), which was submitted for the RACER Pontiac North Campus in Pontiac, Michigan. Arcadis sufficiently addressed the comments provided by the EPA on March 25, 2026, and the EPA approves the Work Plan.

As always, please feel free to contact me with any questions.

Sincerely,

Jennifer Stanhope, P.E.
