Assessment for Preliminary costs 6/29/1977

Letters between property owners Summerfield Chevrolet and Charles Rogers Const Co. discussing privately constructing ditch. And 1/30/78 letter from GCDC facilitating neighbors to do work on their own property. It appeared that there was discussion with property owners to grant easement and our office to take over. There is no easements from the 1970's in the file for either CICO, Inc or Mr. Summerfield.
