RE: **Corrective Measures Implementation Plan**
RACER Van Buren Township Landfill – Van Buren Township, Michigan

Dear Mr. Favero,

EPA has reviewed RACER's *Corrective Measures Implementation Plan* (CMIP) for the Van Buren Township Landfill located at the intersection of Michigan Avenue and Ecorse Road in Van Buren Township, Michigan ("the Site"). The CMIP was submitted on May 18, 2022 following EPA's issuance of the Final Decision and Response to Comments, dated March 8, 2022. EPA's review focused on technical consistency and adherence to EPA policy and regulations.

EPA finds the CMIP acceptable, and therefore concurs with the submittal. EPA understands that RACER will submit an updated Quality Assurance Project Plan following this concurrence letter, which should follow the guidance document titled *EPA Requirements for Quality Assurance Project Plans* (EPA QA/R-5) dated March 2001.

If you have any questions, please contact me at 312-353-9229 or pursel.brandon@epa.gov.

Sincerely,

Brandon Pursel
