Re: RACER Moraine Final Decision, Response to Comments

Dear Ms. Barnett:

EPA has selected the final remedies for the RACER Moraine facilities. EPA published the proposed remedies in the December 2021 Statement of Basis document and accepted public comment on the document from December 9, 2021 – January 10, 2022. One comment was received, requesting clarification in the Statement of Basis. The remedies selected and EPA's response to the comment are described in the enclosed Final Decision and Response to Comments document.

If you have any questions regarding this letter, please contact me or Molly Finn of my staff at finn.molly@epa.gov.
