RE: Annual Landfill Cap Inspection
Linden Road Landfill, Flint Township, Genesee County, Michigan
Site ID No. 25000016
FILE: 15388/49674 Docs

Dear Mr. Innes:

On behalf of Revitalizing Auto Communities Environmental Response Trust (RACER Trust), O'Brien & Gere is providing the Michigan Department of Environmental Quality (MDEQ) with this letter to comply with the Operation & Maintenance reporting requirements at the Linden Road Landfill site in Flint Township, Genesee County, Michigan.

LANDFILL CAP INSPECTION

This letter serves to fulfill the Operation & Maintenance (O&M) reporting requirements contained in the O&M Plan dated February 2008 and to satisfy the terms and conditions as described in Section IV, subsection 4.1 of the Agreement for a Limited Recreational Remedy document, Landuse-ERD-98-011, dated June 16, 1999. The American Youth Soccer Association (AYSO) continues to lease and use the site for recreational purposes, and restricts access to the site via a combination lock at the gate to the site. The AYSO also maintains the soil cover by mowing, seeding and filling as necessary. If necessary, O'Brien & Gere (on behalf of RACER Trust) conducts maintenance activities including repair of areas damaged by burrowing animals. An inspection report from October 2, 2012 is included as Appendix A to this letter. As noted in the report, burrowing animals appear to have caused a few holes in the landfill cap. O'Brien & Gere spoke with members of the AYSO, who have agreed to set and maintain traps to remove the burrowing animals, and will backfill the animal burrows as necessary to maintain the landfill cap. Otherwise, the landfill cap is in good condition with the exception of a few low lying areas requiring 3 to 4 inches of topsoil and seed to improve drainage. We have budgeted to provide the topsoil for AYSO's use in the spring of 2013 to fill the low spots.

If you have any questions regarding the information in this letter, please contact David Favero of RACER Trust at (217) 741-6235 or dfavero@racertrust.org.

Very truly yours,
O'Brien & Gere Engineers, Inc.
