**RE: REVITALIZING AUTO COMMUNITIES ENVIRONMENTAL RESPONSE TRUST
(RACER)
SIGNIFICANT INDUSTRIAL USER DISCHARGE PERMIT # 09-517**

Dear Mr. Harvey:

This letter is in regard to discharge permit # 09-517 that expired on August 26, 2014 and was held in abeyance. Since the completion of the Salt St. Iron Sewer Separation Project, there are no known discharges from the former Malleable Iron property to the City's Sewer system at this time. This letter serves as official notification that the permit will no longer be required for this property. If you have any questions, please contact our attorney Saulius Mikalonis.

Sincerely,

Jason Casteel
Environmental Compliance Administrator
Saginaw Wastewater Treatment Facility
