Dear Mr. Favero:

SUBJECT: Davison Road Industrial Land Remediation Summary,
Burton, Genesee County, Michigan; Facility ID No.: 25000447

The Department of Environmental Quality (DEQ), Remediation and Redevelopment Division, has reviewed the Remediation Summary for the Davison Road Industrial Land and concurs with the summary. The Expected Future Site Requirements are correct using the information we have. Additional information may slightly alter these requirements.

The DEQ continues to support RACER's efforts to address the environmental risks at this Facility in anticipation of site redevelopment. If I can be of any further assistance in this matter, please do not hesitate to contact me.

Sincerely,
