Dear Mr. Worrell:

Thank you for your Email (6/22/06) requesting an extension of time to obtain GM's past 5 years of expenditures at the Linden Road Landfill.

By mutual agreement, the response deadline is extended to Friday, July 28, 2006.

Mr Smith:

In order to properly respond to the MDEQ's Letter of Violation (dated May 23, 2006) regarding a submittal for Site ID No. 25000016, Linden Road Landfill, GM requests an extension of the June 23, 2006 due date. Due in part to the GM shutdown (July 1 through July 16), we request a due date of July 28, 2006 for the required information.

The delay will allow GM to gather expenditures for the past 5 years and obtain the appropriate copy of the Certificate of Deposit financial assurance mechanism for the site.

Thank you for your consideration in this matter.
