Re: **Industrial User Permit Termination**  
RACER Trust - Permit #RA 12-15  
2901 Tyler Road, Ypsilanti, MI 48198

Dear Ms. Landale:

The following letter is in regards to the request to terminate industrial user permit #RA12-15 submitted by Conestoga-Rovers & Associates on behalf of R.A.C.E.R. Trust. In response to this request, the Ypsilanti Community Utilities Authority (YCUA) conducted an on-site inspection of the referenced site on October 9, 2014. Inspection and evaluation of the site confirmed that operations have ceased and wastewater is no longer being generated and or discharged to the sanitary sewer collection system. **Therefore YCUA hereby terminates industrial user permit #RA 12-15 effective September 25, 2014.** Please be advised that any further discharge of non-domestic or process related wastewater is strictly prohibited unless prior approval is granted by the YCUA.

If you have any questions or concerns, please contact me by phone at (734) 484-4600 ext. 121 or by email at [lblackburn@ycua.org](mailto:lblackburn@ycua.org).

Sincerely,
