Pursuant to requirements of Industrial User Permit #RA 12-15 (Permit) Appendix A, the permittee is required to submit a monthly discharge summary by the 5th of every month for the previous calendar month. CRA has prepared this discharge summary for August 2013 on behalf of Revitalizing Auto Communities Environmental Response (RACER) Trust for Willow Run Company Vehicle Operations Area (CVO), located in Ypsilanti, Michigan (Site).

During the month of August 2013, there was no treated water discharged to Outfall 001. The water was treated in September 2013 and the discharge summary report will be submitted prior to October 5, 2013.
