We received the *2017 Annual Monitoring Report RCRA Corrective Action* (report) dated January 31, 2018, from GHD Services, Inc. (GHD) on behalf of RACER Trust (RACER). The following comments are the result of our review.

The 2017 ground water sampling appears sufficient to comply with the *Site-Wide Groundwater Monitoring Plan* dated October 28, 2010 (VFC # 59127512). GHD sampled ground water in April and October 2017, and surface water from the central irrigation pond on April 18, July 12, and October 19, 2017.

We agree with the recommendations GHD presented in Section 9 of the report. They are consistent with the ongoing communication between GHD and IDEM throughout 2017.

Thank you for your continuing cooperation. If you have questions, please contact Mr. Thierry Liberge at [tliberge@idem.IN.gov](mailto:tliberge@idem.IN.gov) or call (317) 232 - 8712.

Sincerely,
