RE: Application to the Voluntary Cleanup and Property Redevelopment Program General Motors  
Former Fairfax I Plant Tract 2 of Kansas City, Kansas

Dear Mr. Richards:

Enclosed for your records is a copy of the Voluntary Agreement 06VCP0037 executed pursuant to the Voluntary Cleanup and Property Redevelopment Program (VCPRP) for the above referenced property. The Secretary of the Kansas Department of Health and Environment (KDHE) signed the agreement on September 29, 2006.

Please note that I have been assigned as Project Manager to provide KDHE oversight for the General Motors Former Fairfax I Plant Tract 2. I have reviewed the information submitted with the application and examined KDHE documents on file that pertain to this property. Based on this review, it appears additional investigative work will be necessary to identify any possible contamination. Since a work plan has already been submitted to KDHE and approved, no further action is required at this time.

Please notify this office at least seven days prior to initiation of field activities to allow for adequate project oversight. If you have any questions regarding the VCI work plan or the project in general, please contact me by telephone at 785-296-5531 or via email at [lprice@kdhe.state.ks.us](mailto:lprice@kdhe.state.ks.us).

Sincerely,

Laura C. Price
