Subject: Contingency Plan - 2901 Tyler Road ~MSC-017303~
Attachments: CVO Contingency Plan -2901 Tyler Road Ypsilanti.pdf; 17303Phillips-3D - Hospital.pdf

Ms. Phillips,
St. Joseph Mercy Hospital

Conestoga-Rovers & Associates, on behalf of Revitalizing Auto Communities Environmental Response Trust (RACER), is conducting environmental investigations and remedial activities to address subsurface conditions for the Company Vehicle Operations property at 2901 Tyler Road, Ypsilanti, Michigan. These activities will result in the generation of hazardous and non-hazardous wastes. Due to the generation of hazardous wastes, a Contingency Plan is required to describe the course of action to be followed in case of a fire, explosion, or release of hazardous waste or hazardous waste constituents that could threaten human health or the environment (40 CFR 265.51[a]).

As required by federal regulations (40 CFR 265.53(b)), a copy of this Contingency Plan must be submitted to all local police departments, fire departments, hospitals, and State and local emergency response teams that may be called upon to provide emergency services.

Thank you,
Beth
