Dear Mr. Mosier:

We have been advised by Chevrolet that inadvertently an originally signed License Agreement was returned to your office with a notation of "wrong address".

The originally executed document should have been delivered to this office for filing with our Legal Staff. I would appreciate a review of your files and at your earliest convenience a copy of an originally signed copy of the subject Agreement.

Your usual prompt attention to this request would certainly be appreciated and if there are any questions concerning the above subject or if additional information is required, please do not hesitate to contact me.

Very truly yours,

ARGONAUT REALTY DIVISION
