Dave and Brendan,

The U.S. Environmental Protection Agency (EPA) reviewed the September 15, 2025 Memo from Arcadis with the subject, "RACER Trust Pontiac North Campus Additional RCRA Investigation Scope of Work (Third Phase)." RACER and Arcadis sufficiently addressed the comments provided by the EPA on August 26, 2025, on the third phase of the RCRA investigation scope of work, and the EPA concurs with RACER conducting the sampling as described in the Memo.

As always, please feel free to contact me with any questions.

Sincerely,

Jennifer Stanhope, P.E.
