Dear Mr. Fotouhi:

Enclosed is a letter report detailing the installation of the three new shallow monitoring wells at the Linden Road Landfill site, and the results of the groundwater sampling conducted on the new wells and the four existing shallow monitoring wells on site. These activities were all performed between February 27 and March 1, 1995.

If you have any questions, please call me at (810) 236-0300.

Sincerely,

Robert S. Metcalf, P.E.
