Dear Mr. Metcalf:

SUBJECT: Request for Draft Legally Enforceable Agreements as Required for the Limited Recreational Remedial Action Plan for the Linden Road Landfill Site, Genesee County

The Michigan Department of Environmental Quality (MDEQ) has completed review of the Limited Recreational Remedial Action Plan (RAP), and associated submittals, for the above referenced site. Before the MDEQ can provide you with confirmation of its intent to approve the RAP draft copies of all legally enforceable agreements associated with the RAP need to be submitted for review. The documentation should include land and groundwater use restrictions, a groundwater monitoring plan, an operation and maintenance plan, and a financial assurance mechanism. Please forward draft copies of these documents at your earliest convenience. If you need model documents on which to base your submittals, please let me know and they will be forwarded to you.

Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "James E. Innes".
