Dear Mr. Anderson:

SUBJECT: Remedial Action Plan (RAP) Linden Road Landfill
Flint, Genesee County, Michigan

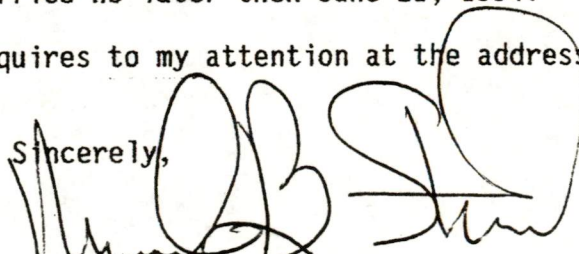

I would like to take this opportunity to introduce myself as your new Project Manager on the above referenced site. In a file review, I have noted that in your December 7, 1993 correspondence, you indicated that in 1994 you would be submitting a RAP for the Linden Road Landfill and inadvertently left out a date for the submittal.

As of today's date, June 10, 1994, the Michigan Department of Natural Resources (MDNR) does not have any record of the RAP submittal. If you have already submitted the RAP, the MDNR is requesting that you submit a second copy and apologizes for any inconvenience this may cause you.

If the RAP is not fully developed and ready for review, please supply an anticipated date of submittal to this office no later than June 21, 1994.

Please direct all correspondence and inquires to my attention at the address on the enclosed business card.

Sincerely,

Michael B. Stenzel
Project Manager
Environmental Response Division
